8 Melville St Railing Project

Bruce Goff, Bavinger House, Norman, OK, 1950

<https://youtu.be/VCARtFakhGs?si=b0iEvu9evaM-19ia>

8 Melville St Railing Estimate & Planning

- Construction Sequence
- Photograph Railing at larger scale
- Measure components and spacing
- Number all components
- Use Sawzall w/ new metal blade to remove railing from its post connections

The Sawzall

Tool Resources: The How to What You Are Doing

Festool Track Saw

Scraps: A Reuse Company

- Storage Ideas:

- Could we use the scraps in our shop to solve all our storage needs
- Rolling carts for stationary power tools (i.e. drill press, band saw etc.)
- Open cabinet for powers in cases
- French Cleat wall
- Bins for small cutoff
- Plywood sheet storage rack
- Small storage boxes (router bits, drill bits, etc.)
- Battery charger shelf
