

Salisbury Building Arts Program
4.4.26

Architecture of John Soane

Shutter Completion :

- *Carefully mill closer notch detail on vertical stiles*
- *Mill bead detail on right stile left edge*
- *Cut all rails to finish length*
- *Mark all components and mill for dominoes*
- *Test fit louvers in all dados*
- *Dry fit all shutter components*

Cuttin Grooves on Sawstop
